

Introducing Student360 - SLIIT Student Profile

Objective

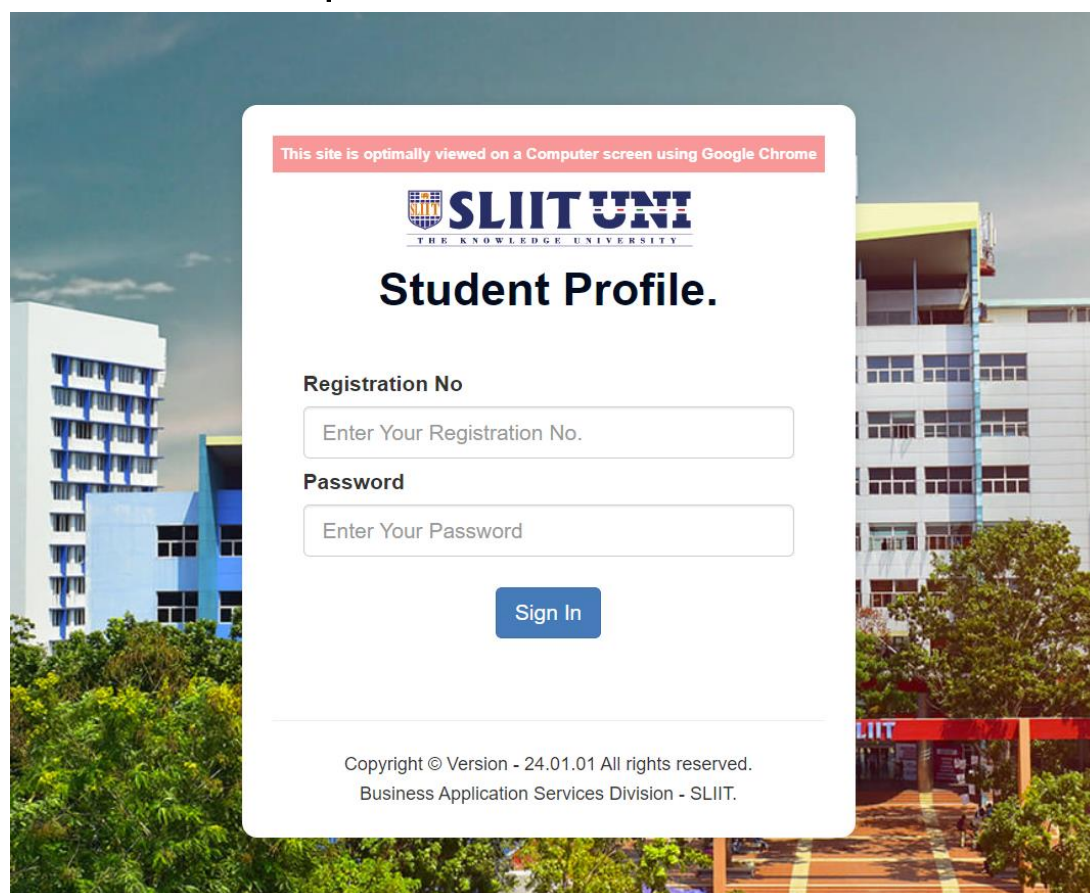

To provide a comprehensive overview of a student's status in terms of active Semester /Module registrations, results, payment etc.

1. How to Log in

Use the URL - <https://student360.sliit.lk/>

User name – your current domain user name (example – IT12345678)

Password – your current domain password

2. New Student Portal – What is available

Refer the below image for details. Kindly note that

- “Marks” tab contains a **Download** button, which can be used to download a printable student profile with results.
- Details given in the “Payments” tab and the “Registrations” tab may appear incomplete, due to ongoing data migration. From the next semester onwards updated payments will be displayed.
- For any concerns, click on the “Support” button on the top right hand corner of the Student Profile and you will be re-directed to submit the inquiry via <https://support.sliit.lk/> >> Select Request/Inquiry type as “Other”

New Student Portal – What is available

Link to access - <https://student360.sliit.lk/>
(Use your domain credentials to access the portal)
